## Master Built Contemporary Designed Living with Pool

Welcome to 54 Saltwater Way, Mount Coolum

As you enter through the grand entry of this home you will marvel at the contemporary design it offers. Polished concrete floors flow through to the open plan living areas. A separate carpeted, sunken media room greets you on entry.

A very generous sized kitchen with stone bench tops, stainless steel appliances with ample storage. Three modern pendants light up the island bench ready for entertaining.

Large bi fold doors take you out to the best room of the house. Entertain in style with a covered entertaining alfresco area, generous yard space perfect for the kids and family pe
